

Support & healing for couples rebuilding
from the destruction of addictive sexual behaviors

Restoring the "We"

Just as God can breathe life and beauty into the driest, deadest desert, He can breathe healing, love and respect into our most wounded relationships.

Couples Counseling by appointment

The pain and broken trust that sexual addiction or an affair creates can very often destroy the affected marriage. Although certainly challenging, the discovery of sexual sin does not have to mean the end of the relationship—instead, the recovery process can be used as a catalyst for personal growth and new beginnings.

Together, out of lessons they learned in their own marriage, Bruce and Janet Wheeler help recovering couples learn new ways to connect, communicate, and create an emotionally safer, more satisfying and God-honoring relationship than ever before.
